Dear honorable colleagues,

Pursuant to the Prime Minister's Order No. 157, dated 22.10.2018 "*On taking measures for implementation of sector/ cross-sector wide approach and establishing and functioning of the integrated sector/cross-sector mechanism*" and in the role of political leadership of the Open Government Partnership (OGP) for the Albanian Government, after the circular decision for

decision-making, we forward to all of you the OGP Action Plan 2020-2022 approved for Your implementation.

Commitments and priority measures in this action plan have been consolidated through an extensive consultative process and the effective interaction within the mechanism of good governance with civil society in the role of a multi-stakeholder forum with civil society resulting in the following:

- (i) 4 (four) public national surveys initiating the process,*
- (ii) 270 (two hundred and seventy) civil society organizations invited to the process,*
- (iii) 14 (fourteen) thematic consultations conducted with civil society organizations,*
- (iv) dedicated meeting with the Civil Society Council.*

The Open Government Partnership (OGP) web-portal for Albania has served as a transparent platform for the co-creation of the action plan with civil society and the Electronic e-Consultation Register has been one of the effective consultative platforms of the Plan in accordance the of law no. 146/2014 "On notification and public consultation".

Thank you for Your cooperation,

DEPUTY PRIME MINISTER

ERION BRAÇE
