

## **Annex II: Structure for Lead Focal Point (leading public institution for each Component)**

### **ACTION PLAN 2020 - 2022 FOR OPEN PARTNERSHIP & GOVERNANCE**

#### **PART I: POLICY GOALS OF THE ACTION PLAN**

##### **3. Policy Goals / components of the Action Plan**

##### **3.1 Political goals**

**Policy Goals / main components of the Action Plan: the strategic goals / main components on which the Action Plan will be based.**

- Component I: Open Government for Access to Justice;
- Component II: Open Government for Digital Governance / Public Services;
- Component III: Open Government for Fiscal Transparency;
- Component IV: Open Government for the Fight against Corruption;

*Each component will have a lead institution as a focal point:*

- Component I: Open Government for Access to Justice *Ministry of Justice*
- Component II: Open Government for Digital Governance / Public Services *National Agency for the Information Society and Service Agency*
- Component III: Open Government for Fiscal Transparency *Ministry of Finance and Economy*
- Component IV: Open Government for the Fight against Corruption *Ministry of Justice*

##### **3.2 Indicators**

- **Goals are concisely described for the medium term.** Each component of the Plan may have one or more strategic goals, which should contain specific results that are clear, tangible, measurable, and achievable within a defined time frame, and achievable through government activities.
- Extracting the List of Indicators (if the case arises). The list of indicators is presented according to Annex 1. *This section is designed with a lead focal point for each component.*

## **PART II: SPECIFIC OBJECTIVES OF THE STRATEGIC FRAMEWORK**

### **4.1 Specific Objectives**

#### **Situation analysis and challenges**

The Action Plan sets out specific objectives for each component. *This section is designed with a lead focal point for each component.*

4.1.1 Key Outcome Indicators - wording, description, target value;

4.1.2 Key Outcome Indicators - wording, description, target value;

4.1.3 Key Outcome Indicator - wording, description, target value;

4.1.4 Key Outcome Indicators - wording, description, target value;

4.1.5 Key Outcome Indicators - wording, description, target value;

## **PART III: PRIORITY MEASURES FOR THE IMPLEMENTATION OF THE ACTION PLAN**

### **Priority measures**

#### **5.1 Priority measure 1**

Priority measures include investment measures / projects and hard & soft measures, that directly contribute to achieving the policy goal identified in the preceding section. *This section is designed with a lead focal point for each component.*

#### **5.2 Priority measure 2**

Priority measures include investment measures / projects and hard & soft measures, that directly contribute to achieving the policy goal identified in the preceding section. *This section is designed with a lead focal point for each component.*

## **PART V: ACCOUNTABILITY & MONITORING & COORDINATION OF THE STRATEGIC FRAMEWORK**

This section presents the monitoring framework of the Action Plan.

This section describes how to monitor the Action Plan, presenting the instrument used for monitoring (Progress Report of the strategic framework), as well as the drafting process, reporting method, as well as consulting the report.

Part of this section is a description of the performance monitoring mechanism.
