<sup>1</sup> Meeting in which the basic discussion is related to the New Action Plan (NAP) 2020-2022

2. The OGP website link published the (i) methodology (ii) webinar meeting and (iii) surveys link related to each component have been requested to be send within the 1<sup>st</sup> week of August.

3. It was very much approached the commitments related to (i) open justice and (ii) beneficial ownership and the OGP headquarter willing to support in these two related topics.

4. *OGP's Contribution fee for Albania: The OGP Office* have been informed that will send a formal letter regarding the fee contribution related to the OGP that Albania have obligation as member country.

5. *OGP-Local Application:* OGP-Local has reached out to the Municipality of Tirana as a potential candidate to apply for the process (open until mid-August). The Municipality of Elbasan has expressed interest in applying, and OGP has connected the municipality representative with the relevant OGP expert for better guidance. OGP would be excited to receive applications from Albania as the region itself lacks representation. It would be helpful to follow up with the application processes of these municipalities.
