**Minutes of 15th
Technical Committee Meeting of the PFM strategy
March 2026**

The 15th meeting of the Technical Committee (TC) of the Public Finance Management (PFM) was held on March 27, 2026, at 11:00 p.m., led by the Secretary General of the Ministry of Finance, **Mr. Gentian Këri**. The focus of the meeting was the discussion of the 2025 draft Annual Monitoring Report, the challenges and progress achieved, as well as the discussion on the reporting processes and the PFM new Action Plan 2027-2030.

AGENDA:

#1 Opening remarks

#2 Public Finance Management – Achievements and challenges during 2025

#3 Updating the Terms of References for the PFM Technical and Steering Committees

#4 Reporting Processes:

- PAR Roadmap
- PAR Special Group
- Open Government Partnership OGP

#5 New PFM Action Plan 2027-2030

#6 Conclusions

#4 Reporting Processes: PAR Roadmap, PAR Special Group, Open Government Partnership.

Referring **Open Government Partnership (OGP)**, **Ms. Jakupi** noted that the Ministry of State for Public Administration and Anti-Corruption had initiated the process for drafting the 2026–2030 National Action Plan for the Open Government Partnership. She informed the meeting that a consultative session had been held with civil society organizations and noted that several directorates had already submitted their contributions. **Ms. Jakupi** emphasized the need for a more proactive approach in identifying and proposing concrete measures for inclusion in the upcoming Action Plan, highlighting the opportunity for stronger cooperation with civil society throughout this co-creation process.
